The warranty is valid to the original consumer and is non-transferable

### **Manufacturing Defects Warranty**

Sunique International warrants your Luxury Vinyl Flooring to be free from manufacturing defects. A defect is defined as a product not conforming to specifications disclosed in product or trade literature and within tolerances allowed by the industry. Imperfections in finished worn surfaces must be easily noticeable and cover an area of 2” square where, when viewed from a standing position, there is wear.

The Manufacturing Defect Warranty does not cover:

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests, such as chair pads, etc., rolling and/or non-foot traffic, or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw.
2. Color will vary due to use of natural ingredients, exposure to UV light and/or sunlight, and aging of materials, this is normal. Therefore, color inconsistencies between samples, replacement products, or illustrations and the actual product are not manufacturing defects.
3. Sunique International does not warrant that the product will match or coordinate with customer's furniture, trim, cabinets, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines as recommended by Sunique International.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as skates, golf shoes or pets.
6. Floor coverings installed in an inappropriate location are not covered by this warranty.
7. Loss of gloss or surface scratches are not considered surface wear. Dull surfaces can be corrected with a partial or total recoat care system.

## **Waterproof**

The floor plank is 100% waterproof and the structural integrity of the floor will not be significantly reduced by exposure to water. While moisture does not affect the integrity of the floor, mold (and/or) mildew growth can occur when excessive moisture builds up on the building or building materials (especially if the moisture problem remains undetected or unsolved). The Sunique International Humidity Warranty does not cover damage from mold and/or mildew growth resulting from prolonged exposure to moisture.

Waterproofing excludes all casualties involving water in contact with floors and breakdowns typically covered by homeowners insurance, including but not limited to damage from flooding or standing water from leaking pipes, faucets, or appliances. Also does not cover damage from flooding or standing water caused by hydrostatic pressure or other accidental events.

Waterproof does not cover:

1. Damage to surrounding structure, walls, subfloor, fixtures, furniture, padding, moldings, trim, subfloor heating elements, or anything other than flooring or tile.
2. Damage caused by mold growth due to prolonged exposure to moisture.
3. Flooring that is installed outdoors.

### **Claims**

All materials should be inspected prior to installation. Visual defects or failures apparent prior to installation will void this warranty. All warranty claims must be reported immediately. Failure to report a warranty claim within 30 days of discovery of a defect will void this warranty.

Sunique International's liability under any theory of liability (whether in contract, tort, strict liability or otherwise) is limited to the sole and exclusive replacement of defective goods FOB Sunique International facility, prorated credit or refund of the purchase price of such defective goods, at Sunique International's option. In the event of product unavailability or discontinuation, Sunique International reserves the right to select and supply similar material. The warranty excludes all other expenses, incidental and consequential damages, including loss of use of property. All interpretation rights are ultimately subject to Sunique International.
